IHP

Company profile

Company Profile

Established in 2018

Located in Vancouver, British Columbia, Canada

IHP (full name INUTR HEALTH PRODUCTS INC.) is located in this region alongside renowned Canadian health product manufacturers such as Natural Factors Genuine Health, contributing to the sustainable development of Canada's entire health industry.

IHP provides end-to-end solutions for clients in the global nutritional and health food industry, covering basic research and product development, manufacturing, packaging, logistics, and after-sales service support.

NPN International "Blue Hat" Certification

Natural products number international certification

IHP holds over 1,000 NPN prescriptions issued by Health Canada and is continuously undergoing iterative upgrades.

The NPN certification not only signifies the safety and efficacy of its healthcare products but also serves as a globally recognized endorsement of quality.
